Subject: MP's expenses

FAO Sir Christopher Kelly

I am absolutely appalled and disgusted at the forthcoming stories about the MP's expenses claims. These people are elected representatives of the public and this is how they behave by make claims for dog food or repairs to their private swimming pool !

It is now time to act and make these people apologise to the taxpayer for the extreme waste of taxpayer money.

Guidelines should now be drawn up and put in place stating what MP's can and cannot claim for with a capped amount that they cannot go over.

There should also be an independent body which oversees all of this and that MP's have no say whatsoever in this process.

Yours sincerely,

D J Robinson (Mr)
