RECEIVED
- 3 JUN 2009

Dear Sirs,

I would like to make the following suggestions:

- 1) That any organisation set up to determine MPs' pay, expenses and allowances should be totally independent of MPs and not susceptible to influence from MPs
- 2) That any such organisation should be informed by noting the practice adopted by reputable major British companies
- 3) That the practice of MPs employing relatives should cease

I find it sad that the reputation Britain had for high standards in ~~pub~~ public life has

has been lost so quickly. I fear that
it will take many years for it to
be restored

I wish you success in your task.

Yours faithfully

B. J. Means (Mr)
