Subject: MPs expenses

E672

How can you have allowed things to get this bad that the Daily Telegraph have had to expose what MPs of all parties have been claiming as they thought it was right when the public does not think it is.

MPs should be paid a wage, expenses to run their offices and rented accommodation only in London not second homes with furniture supplied and all other kinds of "goodies".

We work hard to pay our taxes and do not want MPs spending our money as of their right not our hard work.

Disappointedly yours
